\*\*\*\*\*These same scenes so bright,  
So beautiful, so majestic in themselves,  
When first they gleamed upon my sight, did become  
Habitually dear, and all their forms  
And changeful colours by invisible links  
were woven into the associations of an unforgettable year.

*At*

*Sacred Heart*

To one who has enthusiastically supported and encouraged club activities in order to make Sacred Heart a better college; one, vivacious, artistic, dynamic, whose Irish wit can change a cloud-ridden day into a splash of sunshine; one who has broadened our perspective in the fields of Art and Literature. No student can leave Sacred Heart without knowing her. It is with pleasure that we dedicate the 1958 GRADATIM to you - Sister Mary Kevin.

*"The Library  
Held Its Lure"*

No place affords more pleasant surroundings than the library.  
The rendezvous of all true students where assignments are carefully planned and accomplished; where dreams become realities and are relegated for the moment to the realm of the forgotten, where tones for the mind are dispensed and the innumerable "taste" of the soul catered to.

*"Learning With  
Enthusiasm"*

For each of us, there were those thought-provoking lessons that trained us to reason . . . . . we looked forward, of course, to good times, but we realize that it was the curricular work which gave us the opportunity to enrich our minds, and to prepare ourselves for a constructive life.
